## How to check the balance of your True Link Card

You can check your balance using any of the following ways, 24 hours a day, 7 days a week. There is no cost for any of the options below.

1. Phone call:

- You can check your balance anytime using True Link's phone system.
- Simply call 1-800-299-7646. You can also hear recent transactions or request to speak to a representative.

2. Online:

- Visit [www.truelinkfinancial.com](http://www.truelinkfinancial.com) and click the "Login" button in the top right corner.
- Then click the blue button that says, "Sign in as cardholder."
- When prompted, provide the last 4 digits of your Social Security number, your date of birth, and the last 4 digits of your True Link Card number.
- You will then be able to see your balance, monthly statements, and recent transactions.

3. Text message:

- As long as True Link has your mobile number on file, it is very easy to check your balance from your phone (standard text message rates may apply).
- Simply send the word "balance" to 1-800-299-7646.
- If you receive an error message, please call our Customer Support team at 1-800-299-7646 to make sure your number is on file.
